DSG Americas Dental Lab is designated as an Approved PACE Program Provider by the Academy of General Dentistry. The formal continuing education programs of this program provider are accepted by AGD for Fellowship, Mastership and membership maintenance credit. Approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement. The current term of approval extends from 6/1/09 to 5/31/2012.

WASTED DAYS AND SLEEPLESS NIGHTS

One out of every five patients you see has sleep-disordered breathing. Your patients are giving you the signals, but are you picking up on them? This one day program is designed for the dentist and team member to become proficient at recognizing the patients in their dental practice with sleep disorders, to become comfortable discussing the condition, and to effectively and predictably treat the disorder.

Participants will gain a greater understanding of the following:

- Getting started in Dental Sleep Medicine
- Sleep Disordered Breathing: education and terminology
- Health history, screening patients for OSA, patient examination and treatment protocol
- Overview of Obstructive Sleep Apnea (OSA) etiology and relationship to the oral cavity and dentistry
- Comprehensive review of treatment alternatives for OSA
- Exam, impression and bite procedures
- Types of dental devices and review of specific DSG sleep appliances
- Treatment protocols (how to adjust, follow-up and insure proper adjustment for maximum improvement)
- 3 big changes that have increased the need for Dental Sleep Medicine and profitability
- Marketing your Dental Sleep Practice and building relationships with the medical community

DR. GY YATROS:

Dr. Gy Yatros has been in private practice on Anna Maria Island, Florida, since 1992. He has been practicing sleep dentistry for over ten years and also has offices in Sarasota and Tampa devoted exclusively to the treatment of sleep disordered breathing. He is an international lecturer on the subject of dental sleep medicine and speaks regularly throughout the country. Dr. Yatros is a Diplomate of the American Board of Dental Sleep Medicine, past president of the Manatee Dental Society and is an Affiliate Assistant Professor of the Department of Internal Medicine with the University of South Florida, College of Medicine. He is co-founder of Dental Sleep Solutions Franchising, LLC.

DR. RICHARD DRAKE:

Dr. Richard B. Drake has been in private practice in San Antonio, Texas, since 1989. For over ten years, he has devoted his private practice to the treatment of sleep disordered breathing. He has served as President-Elect and Secretary/Treasurer of the American Academy of Dental Sleep Medicine, is a Diplomate of the American Board of Dental Sleep Medicine, and is Clinical Assistant Professor at the Center for Dental Sleep Medicine at the University of Texas Health Science Center at San Antonio. Dr. Drake has represented the dental community at the National Sleep Foundation, lectured for the American Dental Association, and speaks nationally on topics in sleep medicine. He is co-founder of Dental Sleep Solutions Franchising, LLC.

GROW WITH THE DSG NETWORK

The DSG Network is dedicated to growing your practice through quality continuing education. Join DSG Clearwater May 6th in Tampa, FL, to learn how you can grow your practice by providing your patients with dental solutions for their snoring and OSA.
